Aleksander Zupančič, Chairman of the Supervisory Board

Aleksander Zupančič holds a university degree in law and has extensive experience in corporate management, the energy sector, utility services, public administration, and legal affairs. Throughout his career, he has successfully combined expertise in law, energy, business, and leadership, managing large organizations and complex development projects.

He began his career as a lawyer at the Ministry of the Economy of the Republic of Slovenia, later working as a sole proprietor and head of a law firm. Between 2011 and 2018, as Managing Director, he oversaw the establishment of Komunala Brežice d.o.o., setting up its key organisational processes and the system for delivering public utility services, while also leading the company.

From 2021 to 2025, he served as a member of the Supervisory Board of Petrol d.d. In 2022, he was appointed President of the Management Board of Elektro Ljubljana d.d., and from 2023 to 2026, he once again headed Komunala Brežice d.o.o. He has served as Business Director of GEN energija d.o.o. since 2026.
