# Matej Mavsar, member of the Supervisory Board

Matej Mavsar holds a bachelor's degree in energy engineering and systems automation, and a master's degree in economics, with a focus on business logistics.

He has been employed at GEN-I, d.o.o. since 2017, working in the field of electricity and natural gas trading. As head of the sales and production portfolio management department, Matej is mainly responsible for managing purchasing portfolios for household and business customers. He is also involved in team development and training.

He serves on the GEN-I, d.o.o. Supervisory Board as an employee representative.
